Dear Applicant

Yorkshire 3 Peaks Challenge 2008 – Registration Pack

Thank you for enquiring about Bridge2Aid's Yorkshire 3 Peaks Challenge. What a way to make a weekend count - climbing 3 of Yorkshire's highest peaks in under 12 hours!

Primarily a team event, we are looking for motivated groups of 5 people to compete against other teams in a race to the finish. However, we are happy to accommodate you if you are an individual applicant, and place you in a team prior to the event. Don't worry - the emphasis is on fun and enjoyment, with a hint of competition thrown in!

All you need to do to take part in the Yorkshire 3 Peaks Challenge is to fill in the enclosed registration form and send it to us along with the registration fee of £99 (cheques made payable to Bridge2Aid). It's that simple.

We are asking every individual to raise a minimum sponsorship of £599, which may seem like a lot of money, but we will send you a fundraising pack full of tried and tested ideas and resources, and will support you right the way through from now until the event. As well as the great personal reward of ascending the peaks, you will also be raising vital funds for our work in Tanzania.

Inside this pack you will find answers to the questions that most people will want answers to regarding the climb. On the back page there is a list of what is provided plus details on what you will need to provide. If you have any questions at all then please give me a call, or email me, on the contact details above.

With so many of you up for the challenge, places are filling fast, but with 4 weekends to choose from, why not book your place now? Simply ensure you send your completed registration form, medical declaration, non-refundable registration fee of £99 (cheques payable to Bridge2Aid) and passport photo as soon as possible.

We would love to welcome you to Yorkshire in 2008, and look forward to hearing from you soon.

Kind regards

Jennie Harvey
UK Fundraising Co-ordinator
